

# Free Series of Cancer Forums for Persian Speakers

## Let's understand cancer

In these forums a group of Iranian researchers and specialists will discuss the latest advancements in the fight against cancer, methods of prevention, as well as services and facilities that are available for cancer patients. Also cancer survivors will speak about their journey.

## Let's make cancer history

Thanks to the work of our volunteers and staff, and the generosity of our donors, the Canadian Cancer Society is leading the way in the fight against cancer. The Canadian Cancer Society:

- funds research on all types of cancer
- offers comprehensive and credible information on cancer, risk reduction and treatment
- provides support for people living with cancer, family members and friends
